Dear Sir or Madam,

Kindly ensure that this courtesy copy is delivered to the hand of Secretary General Ban Ki-moon. It is his duty to ensure that all Permanent Representatives to the U.N. get a copy.

We are investigating yet-another-plot to use the seal of the Holy See without the authority of the Bishop of Rome.

YHVH and I is One

Having caught the Church bureaucracy several times in this game to steal the 'power' granted to St. Peter by the Jesus Christ, signed and witnessed by Pope Francis with the Sign of the Empty Papal Chair and Empty Apostolic Palace, this Power is returned to YHVH in this Court of Record.

The credibility of London as a financial and legal centre is now under test with this case.

It is our wish that every Ambassador convey this courtesy copy to his Head of State (example, President), Chief Executive (example, Prime Minister), Nuncio and Central Bank Chief.
We send our love to YHVH for thee!

Yours faithfully,
Joseph Ray Sundarsson

women have you eliminated because they were witness to the acts of the Cunts of Malta? Do you think that we have not been watching?

You have already witnessed treason in your Cabinet after we freed you from blindly following treasonous orders under threat of torture.

This intercession before YHVH is a chance for those assured of certain death to beg forgiveness and return to the faith.

> I called the Rolls Building tel 0207 947 6516 just now (10:56 UK time) and Clare

These documents are available here: www.courtrecord.org.uk/frame-pdfs.html

From these documents, it appears that Solicitor D. Frame SRA ID 426788 confuses a cult with a Court of Record. The action of his client, A. Argent, is to 'curse' the Plaintiff K. Argent with 'sectioning' using the spells of the witches of the Chancery Division. D. Frame's "Witness Statement" is not an Affidavit. His client, "an applicant", is a beggar.

He has failed to follow U.K. due process in his prior supposed service of a claim. He has not produced any contract. He confuses 'personal' and corporate. The opinion of a retired solicitor regarding his prior actions shall follow in due course. His acts and actions affect all SRA solicitors collectively. In other words, they shall "hang together".

This is a Court of Record, a Court of Law. We have shown how language and contracts relate to That Which IS, YHVH to the Hebrews, Brahman to the Indians, RA to the Egyptians and Jesus Christ to the Christians, One to the Muslims. We explained the relevance of 'religion' to law, money, banking, language and contracts here: www.courtrecord.org.uk/Dawkins-PDF

We believe it can be shown that those who purport to operate a 'court' at Rolls Building, Fetter Lane, London, have not sworn an oath of allegiance to Our Sovereign Lady, the living woman known as Her Majesty Queen Elizabeth [II].

There is no court there. There are impostors who are sitting below what looks like Her Majesty's Coat of Arms. Every day they commit High Treason and have committed High Treason over their "long career in the law".

We believe their /mens rea/ is Worship of the Calf, or Gold Lust, the object is to steal funds from the Consolidated Fund with the objective to 'convert' that into gold

- by force and threat of force. This is a /Brutum Fulmen/. We suggest you look up the legal meaning of that phrase, "Brutum Fulmen".

You operate a 'collective' form of government. In other words, you and your government shall "hang together".

YHVH and I are One

> John 10:30 I and my Father are one.

The applicable penalties are fixed in the Law of YHVH:

Casting spells in Chancery: "witch"

> Exodus 22:18 Thou shalt not suffer a witch to live.

Worship of the Calf: "Gold lust"

> Exodus 32:27 And he said unto them, Thus saith the LORD God of Israel, Put every
> man his sword by his side, and go in and out from gate to gate throughout the camp,
> and slay every man his brother, and every man his companion, and every man his
> neighbour.

> Exodus 32:28 And the children of Levi did according to the word of Moses: and there
> fell of the people that day about three thousand men.

Cursing one's father

> Leviticus 20:9 For every one that curseth his father or his mother shall be surely
> put to death: he hath cursed his father or his mother; his blood shall be upon him.

Suggested action

If you wish to save your life and those in your government, we suggest that you take your Chancellor with you on your scheduled visit to Her Majesty The Queen today and take refuge in this Court of Record of YHVH through Her Majesty's Court of St. James.

Then we suggest that you suggest the following steps to Her Majesty:

1) Dissolve Parliament. A skeleton government under the Lord High Steward and the Housekeeper of Her Majesty's Commonwealth to continue government services to the men, women and children of England and Wales.

2) Shutter Rolls Building and place all inmates on Garden Leave.

3) Instruct the Solicitor Regulation Authority to revoke SRA ID #426788.

Once all this is done, you can ask Her Majesty, if Her Majesty should choose to answer you, to explain this summary of 21 April 2016, Her Majesty's Birthday, which Mahakali summarised as follows, "Shakespeare is giggling in heaven", says Mahakali enigmatically, "the loo-tenant is at Water-loo".

We send our love to YHVH for thee!
